

05 March 2024

Summary

NBR held pre budget meeting with tobacco industries

A pre-budget discussion meeting of the National Board of Revenue (NBR) was held on 5th March with British American Tobacco (BAT), Japan Tobacco (JT), Bangladesh Bidi Industry Owners Association and Locally Owned Cigarette Manufacturers Association for the fiscal year 2024–25. The representatives of these tobacco companies attended the meeting and put forward their demands. Bangladesh Bidi Industry Owners Association presented a 6-point proposal during the meeting which included the demand of not increasing the tax on Bidi as in the previous year and reducing the tariff price.
